Case No. 19CV349841

**DECLARATION OF DOMINGO
RIVERA UNDER CAL. EVID. CODE
§1561(a)**

Case No. 19CV349841

**DECLARATION OF DOMINGO RIVERA
UNDER CAL. EVID. CODE §1561**

YANG_002088

1 I, Domingo Rivera, certify and declare as follows:

2 1. I am an attorney residing in Virginia and an active member of the Virginia
3 bar. I am over the age of eighteen years, and I am not a party to this action. I have personal
4 knowledge of each fact stated in this declaration.

5 2. I consult with several businesses, including CheatersandBastards.com,
6 regarding computer forensics, including the maintenance and retrieval of website data. I
7 also regularly serve as a consulting and testifying expert in federal and state litigation on
8 the issue of computer forensics.

9 3. While I am not an employee, officer, or director of
10 CheatersandBastards.com, I have been engaged by CheatersandBastards.com to assist
11 the business in responding to subpoenas seeking its website user data. In this role as a
12 technical consultant, CheatersandBastards.com has provided me with access to its
13 website user data for the <cheatersandbastards.com> website.

14 4. I have the authority to certify CheatersandBastards.com's website user data
15 as stated herein.

16 5. The <cheatersandbastards.com> website allows users to publish posts and
17 comments to posts on the website. CheatersandBastards.com retains certain website user
18 data on its web server about users who publish posts and comments on the
19 <cheatersandbastards.com> website. This website user data includes, for each post and
20 comment on the <cheatersandbastards.com> website, the user's IP address, the date and
21 time of the post or comment, the user name, and the user's unverified email address.
22 CheatersandBastards.com's web server automatically saves this user data when a user
23 publishes a post or comment on the <cheatersandbastards.com> website in the regular
24 course of the operation of the web server and its software. CheatersandBastards.com's
25 web server automatically obtains a user's IP address, and the date and time of the user's
26 post or comment, from the user's internet connection to the <cheatersandbastards.com>
27 website by way of the transmission control protocol/internet protocol. On the
28 <cheatersandbastards.com> website, a user must enter a user name and email address

1 into the website before that user can publish a post or a comment;
2 CheatersandBastards.com's web server automatically saves the user name and email
3 address once it is entered by the user.

4 6. On April 18, 2019, Plaintiff served a subpoena on CheatersandBastards.com
5 requesting records, a true and correct copy of which is attached hereto as **Exhibit A** (the
6 "Subpoena").

7 7. In response to the Subpoena, and in my role as a technical consultant, I
8 assisted CheatersandBastards.com in retrieving and producing responsive records, which
9 are attached hereto as **Exhibit B** (the "Records").

10 8. The Records comprise a true and correct copy of all of the responsive
11 website user data for the <cheatersandbastards.com> website that I retrieved from the
12 <cheatersandbastards.com> web server. The Records identify the IP address, the date,
13 the time, the user name, and the email address used to publish the identified posts and
14 comments identified in the Subpoena. The Records comprise all available responsive
15 documents that I located.

16 9. I am qualified to certify the Records as described in this declaration.

17 I declare under penalty of perjury under the laws of the State of California that the
18 foregoing is true and correct. Executed at the place and on the date stated below.

Looks like Miss Narcissus is attempting to scrub the internet of her whoring images. Haha... too late though. So many in the San Fransisco Bay area know of what a disgusting uneducated plasitic whore she is.

Jesus... divorced twice by age of 30 both to men old enough to be her father and mistress to the last husband ruining his marriage too? Amazing that a whore like this hasn't been ousted a long time ago.

Michelle

005613170 is the correct person you are referring to. Her blog indicated about being the face of a real estate company, I strongly advise you reconsider. She is a public disgrace and will openly target and humiliate other women, for the sake of feeling superior. She is mentally sick, and in love with herself in vain. But will act extremely sentimental, with her mousy voice, to get what she wants. Once she targets one person, will suck all the blood out, drain everything possible, then hunt for the next one. She is un-educated, and notorious in the Chinese community.

I would like to build as comprehensive a report as possible and I'm afraid I can't use this information as-is. Could someone confirm if this is the same person? I'm a part of the Taiwanese community here in the bay area and I've seen her around. She definitely puts up a good act around people, pretending to be so sweet and delicate with her

high pitched mousy voice. When in reality she does nothing but, manipulate people, her social media sites, and her selfies so look good and of course get money.

I hope someone tell that slut's exhusband's last wife, that this whore is going around making rumors about her. This girl is such a horrid sack of crap, not for just sleeping around for money, but how she talks behind the back of all her supposed girlfriends and will even make up rumors about people so she can have a laugh.

Oh and she's so gross, the other day I saw some pictures of her and cold sores on her mouth. I guess all that sucking old men's you know what, gave her some STDs. Nasty nasty, all I can say to all of this is

Hey Emily, you seem to also know her more personally. Yeah, I had
a friend who used to "see" her a few years back. He picked her up at
a club. When they started seeing each other she told him girls hate
her because they are jealous of how beautiful she is and her
"beautiful" life style haha. That is why she only had "men" friends.
Yeah... he knew real quick what that meant when he saw all her
hotel posts. Uhg... He also noticed the few girl friends she would

Michelle, what is there not to be able to use? One can just look at her FaceBook feed and see she is at the very least a narcissist, if not the disgusting whore that she is known to be around the Bay Area, and although she may have cleaned it up recently, she always posted loads of pictures of herself around the Bay Area in 5 Star Hotels. What do you think that means? I see on her new blog she posted she has a job opportunity and I am assuming that may be your company. All I am going to say is there are too many people in the Bay Area and in many circles that know of this whore. She was the mistress of many men and as she likes to say gained Financial Freedom. How do you assume this was gained when the girl barely ever worked in her 30 something years of life with no real education and not much a her own credit history?

I think you know the answer to any burning questions you may have by just looking at her social media handle (cbaby), her accounts, and the quality of her followers. So knowing all of this, it is really up to your company whether you will be ok with a known gold digger to represent your company. Despite having a new fiance, who is to say she may not use your platform in order to find new monetary prospects? She is a disgusting display of humanity that has no

empathy for other people when it comes to her own pleasure and materialistic needs. Know this and make your decision.

She is. I used to be friends with her until I found out crap she was talking about me behind my back. She was all excited when was juggling her ex-husband, another married man, an old relator (who she pretended to work for), a Korean guy who was younger than her that owned one of the bars here in the Bay Area, and the current fiance. What the guy she's doing right now doesn't know is, that 1st Valentines date they went on to Coi was actually a place she went to with her ex-husband the year before and their first trip to Las Vegas and Taiwan was because a couple of the other guys she was trying to get to take her wouldn't. Usually girls tie strong memories with places they've been with people, but haha Halfmoon Bay was her honeymoon place with her ex! And she slept with another guy there and visited again recently with someone she supposedly loves?!

hahaha..so funny, with so many Chinese knowing her by now (and simply doing a google search her reputation is already trashed all over internet) I wonder how long she can last. fortunately American is so big she can move to 50 diff states and hunt for a new target in each new city lol

but I wonder why these men don't pick someone more beautiful, more natural make up (there are tons of pretty asians out there, and much more educated) dunno why men would fall for someone with 3 inch makeup and 5 inch fake eyelash. anyone seeing her, even if is a first time meet & greet, can totally tell she is a prostitute (from head to toe she looks like a prostitute no doubt) and its so obvious she is the type of girl who cannot keep her legs closed.

So

Good question... but I have an inkling that it has to do with her picking very, in a weird way, clueless men who have not really messed around before. Plus she probably has a decade supply of Taiwanese condoms from her last husband lol.

Anyways initially she thought only old men had money, so would target them. She has been the mistress of many in a crew that her first husband hung around with in the Bay area. They are all a part of social groups on FB as well as general Taiwanese Business Men with money social groups, you can get an idea if you look at all the groups she is involved in on FB.

She snagged the second husband and the long term previous boyfriend from hanging around those groups. Then her HO...if friends told her to try stupid white engineer boys in the Silicon Valley cause they will go crazy over any Asian girl, plus many of them probably didn't have girlfriends before, and she said she tried some and she just wasn't into them, but it gave her the idea to start hitting up Asian American's who never had a girl hit on them before.

So from married to single, she just doesn't give a shit, she pretty much does any guy who will give her things, even while being in a "relationship" long term with another guy. She's good at pretending to be all innocent and sweet to any guy she is currently with, but that act can only go so far. Generally guys get sick of her within 3 yrs. at the max, cause one can only "ACT" for so long.

And let's face it divorced 2x's and with each husband loads of plastic surgery? Ha this poor idiot she is doing now... if that really is an engagement ring he gave her.... yeah it looks like she is trying to hide the fact that the ring is worn at a Store and the only thing she got from there is that silly Cartier bracelet that ALL the Chinese girls are wearing... yeah sooo original.

Anyways she'll probably get a few more cosmetic enhancements (she's definitely not looking fresh any more) while with the next guy, get all that she can, and when she senses he isn't into her, will start

screwing other men again to make sure someone will carry her while she gets what she can from the divorce procedures. She's pretty calculating like that. She also has sex with men in power positions to help her with her legal stuff and feigns innocence during everything.

005613170 is the correct person you are referring to. Her blog indicated about being the face of a real estate company, I strongly advise you reconsider. She is a public disgrace and will openly target and humiliate other women, for the sake of feeling superior. She is mentally sick, and in love with herself in vain. But will act extremely sentimental, with her mousy voice, to get what she wants. Once she targets one person, will suck all the blood out, drain everything possible, then hunt for the next one. She is un-educated, and notorious in the Chinese community.

She is. I used to be friends with her until I found out crap she was talking about me behind my back. She was all excited when was juggling her ex-husband, another married man, an old relator (who she pretended to work for), a Korean guy who was younger than her that owned one of the bars here in the Bay Area, and the current fiance. What the guy she's doing right now doesn't know is, that 1st Valentines date they went on to Coi was actually a place she went to with her ex-husband the year before and their first trip to Las Vegas and Taiwan was because a couple of the other guys she was trying to get to take her wouldn't. Usually girls tie strong memories with places they've been with people, but haha Halfmoon Bay was her honeymoon place with her ex! And she slept with another guy there and visited again recently with someone she supposedly loves?!

Actually the point is, she spends other people's money namely the guy she is doing at the moment. Also in general, when the said guy doesn't take her on trips, she reposts old photos. Haha she started doing that on IG a few years back. All her ho pics with her Billionar ex-husband, and some guy called her on it and asked why she was reposting old pics. Uhg, I just saw that blog, she is so original isn't she? One thing is for sure, she, herself, and herself is that most important thing in her life hahahaha.

Lol Tonia, the slut was sleeping with other men right after she married the last husband Nov. 2014, so who's to say she won't do it during the day while he's at work or if he is working late?

Class... non existent here. She's an attention whore. She knows people know her FB site and her whore baby handle... but she has no shame!

she still uses it cause she like all the old men she amassed on FB! (all with her bikini and bedroom pics by the way)

Looks like she should add Christine Lau to her list of names. The new fiance's last name is Lau. Let's see how long this one lasts. When a guy stops putting her at the center of his universe she will definitely start hitting up the old men she used to do plus new men she picks up at bars.

Always have one at the ready, her ho money from her last two marriages can only last so long.

hahaha..so funny, with so many Chinese knowing her by now (and simply doing a google search her reputation is already trashed all over internet) I wonder how long she can last. fortunately American is so big she can move to 50 diff states and hunt for a new target in each new city lol

but I wonder why these men don't pick someone more beautiful, more natural make up (there are tons of pretty asians out there, and much more educated) dunno why men would fall for someone with 3 inch makeup and 5 inch fake eyelash. anyone seeing her, even if is a first time meet & greet, can totally tell she is a prostitute (from head to toe she looks like a prostitute no doubt) and its so obvious she is the type of girl who cannot keep her legs closed.

Good question... but I have an inkling that it has to do with her picking very, in a weird way, clueless men who have not really messed around before. Plus she probably has a decade supply of Taiwanese condoms from her last husband lol.

Anyways initially she thought only old men had money, so would target them. She has been the mistress of many in a crew that her first husband hung around with in the Bay area. They are all a part of social groups on FB as well as general Taiwanese Business Men with money social groups, you can get an idea if you look at all the groups she is involved in on FB.

She snagged the second husband and the long term previous boyfriend from hanging around those groups. Then her HO...if friends told her to try stupid white engineer boys in the Silicon Valley cause they will go crazy over any Asian girl, plus many of them probably didn't have girlfriends before, and she said she tried some and she just wasn't into them, but it gave her the idea to start hitting up Asian American's who never had a girl hit on them before.

So from married to single, she just doesn't give a shit, she pretty much does any guy who will give her things, even while being in a "relationship" long term with another guy. She's good at pretending to be all innocent and sweet to any guy she is currently with, but that act can only go so far. Generally guys get sick of her within 3 yrs. at the max, cause one can only "ACT" for so long.

And let's face it divorced 2x's and with each husband loads of plastic surgery? Ha this poor idiot she is doing now... if that really is an engagement ring he gave her.... yeah it looks like she is trying to hide the fact that the ring is worn at a Store and the only thing she got from there is that silly Cartier bracelet that ALL the Chinese girls are wearing... yeah sooo original.

Anyways she'll probably get a few more cosmetic enhancements (she's definitely not looking fresh any more) while with the next guy, get all that she can, and when she senses he isn't into her, will start

screwing other men again to make sure someone will carry her while she gets what she can from the divorce procedures.
She's pretty calculating like that. She also has sex with men in power positions to help her with her legal stuff and feigns innocence during everything.

When in fact she is also the mistress of one. He pays her \$5000/ month to be his whore and she uses that as cache as a "job". He was also a part of the circle of rich Taiwanese business men that her ex-husbands were a part of, in fact they all probably know of each other.</p> <p>Not only does she have her toes dipped in the old man money pool, she is also part of a circle of gold diggers and gigolos. In fact unknown to her last ex-husband's ex-wife, she had her closest gigolo friend spread rumors about her that she paid for sex.</p> <p>Not only is she fake on the outside with all her sad plastic surgery, she is fake on the inside. She will lie through her teeth and enjoy the demise of the poor women she destroyed for her disgusting pleasure.</p> <p>She will tell men, she mostly has men friends cause women are too jealous of her, but in fact most of these male friends where either men who paid for her to have sex with them or part of that gigolo click. Also, on her Face Book, men do not realize that she will play around with the public facing and private tab. So while the boyfriend or lover of the season may think she is posting to the world that they are a couple. In secret if she is trolling for a new man, she will hide the public facing side of the "couple" pics.</p> <p>She also lies about "buying" a new home, when in fact the homes are usually places she is put up by men. was actually owned by her ex-husband. His first wife was also name Christine and he had many home purchased around the bay area with her name. So when she moved from his mansion in San Jose and downgraded into one of his town homes in Fremont, she ripped off a picture from Redfine of a home that was purchased in her neighborhood and then posted it and told her lovers she just purchased a home.

This is also the case after she was kicked out of that town home and was moved to somewhere in probably Newark. She posted a fake picture of having purchased a home there as well. Sad... just sad.

Her "motherly" images with her daughter is only for show. She never really cooked with her daughter until maybe a few years ago, as was blatantly obvious in the Thanksgivings pic. in 2016, with all the NEW products, and the idiot even said, Oh not bad for first time making pie.

For the most part her version of mothering, was having the men she sleeps with pay for lavish vacations for her daughter, or to buy her daughter expensive outfits from Burberry with the money gained by sleeping with men. (great role model)

Originality is definitely not her forte. Most of her picture poses are copied from either her friends, or people she follows online. She is also actually quite short, she uses the App Cymera, to stretch her legs out and give herself extra nip and tucks to look perfect.

Her sad attempts at interior design, from the pathetic flowers, cliché prints of books, to the

	<p>luxury products she covets, and the really bad non-original drawings she does, all copied off of other Instagram and Face Book accounts.</p> <p>So to sum it all up, there is a reason why a supposed “perfect” beautiful woman can’t keep a man. It is like putting lipstick on a pig, no matter how you shellac a rotten facade, it is still a rotten facade, sad and empty. There is just nothing inside.</p> <p>She tries desperately to sound educated by regurgitating things she hears on TV or online, but has no actual thought of her own and its quite boring. Her lack of any sort of normal skill such as cooking, much less holding a normal conversation that doesn’t involve sex, FaceBook, shopping, or gossip.</p> <p>It seems many know of this whore. Check out the chatter on this Chinese chat site. You can use Google Translate if you don’t know Chinese.</p> <p>https://www.gjczz.com/p/DmAXADRj/zhou-wu-xi-a-wu-xian-lai-wu-shi-ba-yi-ge-wang-hong-dan-qin-ma-ma/</p> <p>She also goes by the name Annie Chang when she thinks too many people know her real name. , Cbaby_96, and Tinetine_96 are other handles she uses</p>

She can not possibly think copying some interior image from a magazine is actually what an interior designer does? Or putting silly little tiffany boxes all around the house, or sad photos of books on the walls equals interior design.</p> <p>Hey idiot, if you are reading this, interior designing actually requires skills, such as an actual sense of creativity that doesn't involve ripping off people online, CAD, actual design programs, understanding codes and regulations, actually understanding how to solve problems, and first and fore most actual WORK that doesn't involve opening up your legs and mouth for money. Something you could have found out after a few minutes of looking things up on the internet, but oh... but that isn't something your tiny little brain can comprehend can it? Christine Yang (Hu) -- Fremont, California

Permalink: <http://shesahomewrecker.com/christine-yang-hu-fremont-california/> [Edit](#)

This girl named Christine Yang, also known as Christine Hu is a piece of Taiwanese garbage. She is roughly around 36 and has married 2 men both close to if not over 20 yrs. her senior. She has never worked a day of her life except the oldest on in the book. (facebook.com/christine.yang.739) Money is her objective so when the first husband was about to call it quits, she got pregnant. Didn't matter, she was such a terrible mother she never got custody of her. Meanwhile she found her next target, a cross-dressing bisexual. He paid for her lifestyle so she put a blind eye to his BS, for 4 years, until she found a super rich old business tycoon from Taipei. She married his old saggy butt for the gifts and expensive trips he takes her on (which is what she tells younger men she has sex with). While married.. or possibly still married to that guy, she is having sex with anything else that is married or single. Yes... she seduced even my husband. The only man I was with for 21 yrs. and 17 yrs. of marriage. The man I had 2 kids with that hated skanky girls like this one. Oh.. she played her innocent cards with him. He was introduced to her by her friend who... wanted some whores to entertain her business meeting and called her in to join in... and she lied saying that she actually worked in Realstate. (I noticed around him she would wear very demure clothing.) Her last husband or is it still current? She lied so much to everyone... gave her a full body haul. Breast implants... you name it. She makes herself look like a little innocent Asian doll. Apparently she spends her days manipulating her FB posts so that her friends back in Taipei will be jealous of her.

So in order to do that, she chooses which guy will take her out on the most expensive dinner, hotel, or trip and then will post it on her FB page. My husband was an idiot enough to think she was a normal person and was "into" him. In the space of a year, granted it was on and off because she had other men to have sex with and get gifts from, he spent close to \$30,000 on her on \$1,200 a/night hotels and \$500 Michelin dinners. This from a man that thought a \$65 shirt was over the top. We are not rich by any means. I found out later, the girlfriend of the cross dresser found out how much her boyfriend spent on that whore and went ballistic. She said exactly what I said, which is, she bleeds men to death of their finances. She however, has ties to the Taiwanese community here and has been telling people about her. So why is she angry about a past girlfriend? Because this piece of work still keeps in contact with all the men she's slept with for "just incase" sex sessions and "just incase" financial needs if one money bags slips through her grasps. Which accounts for her on and off relationship with my husband. So any who, when I did the cross check of credit card bills, email histories, etc. against her FB posts. Basically the whore would get other dates and sex session inline while at hotels with other men and many times would go to the same hotels around the bay area with not only her husband, but the many different men she had been with. She has probably been to a good 70% of all the 5 star hotels around the WHOLE of the bay area, wine country, and Las Vegas. She is obsessed with her phone. So you will probably see her around Fremont, Santana Row San Jose, San Francisco, Palo Alto, Mountain View and Las Vegas taking selfies of herself or getting the poor schmuck she is screwing her to take her whoretastic pictures. Mean while how disgusting is this?

Her husband or ex...the Taiwanese Tycoon from Taipei, owns several homes around the Bay area. He demoted her from his mansion to one of his crappier homes in Fremont cause he found out she was sleeping around, but decided he invested enough in her to keep her as his side whore. Anyways, he has a large box of condoms at the house for his open house sex visits, and the whore actually walks around with them in her purse to use with other men!!! She is such an idiot, she thinks she is being coy by not posting pictures with men's faces but in her

Who does that and opens up their FB to public? She should be thrown in jail for endangerment of a minor. So be careful ladies of the Bay area, she doesn't care if the men are married or old, as long as they pay for an expensive dinner and a nice hotel she'll gladly have sex with them because it is "FUN" and she can make her friend back home jealous. Check out her FB page and you'll know what I mean : facebook.com/christine.yang.739 By the way all these pictures are on her public facing page.

Here is her single's profile in Taiwan. She calls herself Christy Baby 96. Nasty, she uses the same name handle she used to post videos of her kid on YouTube. http://www.igonet.com.tw/article_view.php?pid=321 Apparently she not only messed up that other lady's marriage, she was also the mistress of her last husband. His ex-wife openly trashes her in the Taiwanese business community telling everyone it is because of her they ended up divorcing. She however has the last laugh because her husband hands of her old cast off homes for that whore to live at. There is a reason why she doesn't have a digital footprint. It's because she never owned anything in her life. It was all homes of the men she had sex with for money, a roof over her head, and material goods... In other words a hooker.

In reply to Stud.

She's already engaged to a Chinese guy. She has a huge engagement ring too. She goes to places like France, Japan, Dubai, and so forth. She wouldn't want to be with anyone unless they're extremely rich.

Wish she would move to PA I'd give her a home over her head and pretty much anything else she wanted to get in between that beauty's legs.
